

The Administrator is the Board's only link to the operational organization of the school; all authority and accountability of staff, as far as the Board is concerned, is considered to be the responsibility of the Administrator.

Accordingly:

1. The Board will never give instructions to persons who report directly or indirectly to the Administrator
2. The Board will refrain from formally evaluating any staff other than the Administrator; however, this shall not prevent the Board, in exercising its legal responsibilities, from making, exercising or considering judgments regarding staff members
3. The Board will view successful Administrator performance as organizational accomplishment of the Board's Ends policies and compliance with the Board's Executive Limitations policies
